### Okuma America Corporation Extends Spare Parts Warranty

Charlotte, NC (June 29, 2009) – Okuma America Corporation (OAC) announces that effective May 27, 2009, all spare part purchase warranties have been extended. New and exchange spare parts now carry a 1-year warranty and select OSP (electronic) items in the after-market carry a 5-year warranty. Previous warranties were either 90-days or 180 days, depending on the component (see chart for further details).

Items	Original Warranty	New Warranty – As of 5/27/09
Service Parts	90 Days	1 Year
Exchange Parts	180 Days	1 Year
Select Electronic Replacement Parts	90 days	5 Years

Larry Schwartz, President of Okuma America Corporation stated, “We are extremely confident in the product we manufacture and we want to pass that confidence along to our customers. Peace-of-mind is important, especially in difficult times and we want our customers to know that we stand behind them and the products we sell.”

The warranty extension applies to spare part purchases as well as parts in the Spindle Exchange and Board Repair programs. For additional details, contact your local Okuma distributor.
